SOFTWARE ENGINEER

Hallo. Let me introduce myself, I'm Alam Santiko

Wibowo, Full Stack

React Developer Web &

Mobile Apps from

Cilacap, Central Java -

Indonesia. I really like to

learn something new

and interact with lots of

people. Suppose you

have any idea project to

work with. I will help you

to do something about

your goal. Based on

requirements as a

Programmer, I'm good at

Git System Versioning &

RDBMS SQL and No-

SQL. I can work with

team collaboration.
